

III. Basque Tournament of Atari

The last friday, 11th of february of 2022, the Euskal Retro association or group organized the III. Basque Tournament of Atari 2600 and the II. Basque Tournament of Atari Lynx.

8 players came to Jofer bar (Santutxu-Bilbao) and had a great time playing to Atari. We chose 4 games for Atari 2600 and 3 games for Atari Lynx: Basketball, Outlaw, Desert Falcon (a great game and first time we played to it) and Combat (tanks battle) in Atari 2600. In Atari Lynx we played to Checkered flag, Rygar and Toki.

From the beginning we played both tournaments alternating. While one or two players were playing the Atari 2600, another player was playing the Atari Lynx. Of course, we kept an order, that is, we played game after game in order while the results were recorded.

It was a very fun afternoon and there was a lot of competition between the players. In the end though Egoitz won on points; Alvar and Mikel did a very worthy job. Both tournaments were very entertaining, especially in the final of Basketball final Alvar and Egoitz tied at 38. In Atari Lynx Egoitz and Alvar, both players, finished the tournament with 16 points but Egoitz won the tournament because he got 2 partial victories and Alvar just 1.

The idea is to play another Atari 2600 and Atari Lynx tournament in august this year. Here you have the results (score into parenthesis):

Again this magnificent game that takes us to the Old West.

First we play to this interesting game. Difficult but great. Who will manage to fly the plane better through the Egyptian lands?
